

**CLEVELAND HIGH SCHOOL
BOOSTER CLUB FUNDRAISER**

Help Bring New Sound to the New Stadium!

We have new lights, turf and track - now we need a new sound system to enhance our beautiful stadium! The cost of a new system is roughly \$10,000 and the Booster Club is launching a drive to pay for it!

Please bring in this flier and dine or order take-out at **The Original Taco House**, at 3550 S.E. Powell between 2 and 10 p.m. on Thursday, **February 11th**. Our friends at the **Taco House** have graciously agreed to support our efforts by donating 50% of the net proceeds from meals served on this day!!

Your support is appreciated!

(This flier must be presented to your server for us to receive credit)
